

28<sup>th</sup> May 2021

Dear Parent / Carer

Due to falling Covid infection rates locally, our local Public Health team have advised us that they will no longer be advising us to ask students to wear face coverings in communal areas after half term. Therefore, when your child returns after the half term break, we will not require them to wear a face covering inside the academy. However, if your child would prefer to continue wearing their face covering, they will be supported in doing so.

All of our other Covid-safe working practices, such as regular hand washing / sanitisation and working in Year Group bubbles will remain in place until we are advised it is safe for us to do otherwise.

We await the announcements on the 21<sup>st</sup> June with anticipation in the hope that we can start to release some of the restrictions that we have in place and return to some semblance of normality!

I hope that you enjoy the half term break.

Yours sincerely

Mr M Brown
