

CUSTOMER NOTICE:

ALLERGEN INFORMATION

If you require allergen information for any of our dishes or products, please ask a member of the catering team who will happily provide details.

Please Note:

- As we use shared equipment, we cannot guarantee the food we prepare in house is suitable for those with severe allergies.
- The dishes and products we serve may change, so please ask a catering team member for allergen information each time you visit us.

Pre-Packed Products:

Some of our pre-packed products are also prepared in house and subsequently may not be suitable for those with severe allergies. Pre-packed products which are made in house can be identified by the wording 'Handmade in House' on the packaging. Whilst these products are labelled with allergen information, we encourage you to discuss their suitability with our catering team for added comfort and clarity.

THANK YOU!
