

MBO/HeadsPA/Parent Letters/2023-2024/Ofsted

Dear Parent / Carer

**Re: Ofsted Report**

As you may remember, Winifred Holtby Academy was inspected by Ofsted prior to the summer holidays. I am delighted to be able to share the final published report with you but, most importantly, to celebrate the fact that Winifred Holtby is now a **GOOD** school and was judged to be **GOOD** across all 4 key areas of the Ofsted inspection framework.

I am pleased that Ofsted have recognised and endorsed that all staff at Winifred Holtby Academy put the pupils at the centre of everything that they do and that our pupils benefit from a strong curriculum taught by staff with strong subject knowledge. Overall, the report clearly communicates that the education and care that pupils receive here at Winifred Holtby Academy is of a consistently high standard.

The overall message that this report clearly conveys is that when pupils attend Winifred Holtby Academy regularly and engage positively with our high quality curriculum and talented staff, they can achieve well and realise their ambitions.

Thank you for your continued support.

Yours sincerely

**Mr M Brown**  
Headteacher
