Year 11 Parent/Carer Evening
Thursday 12th December 2024, 3:30pm – 6:30pm

Dear Parent/Carer,

This is the most important Parent/Carer Evening of your child's education, and your attendance is essential for success in their summer exams.

Year 11 students have now completed their first set of Year 11 assessments, in many cases mock exams, and this evening is your chance to see how they performed. It is also an opportunity to find out from each of your child's teachers what they must focus on to be successful in May and explore the support and interventions that are available.

This Parents/Carers Consultation Meeting allows us to share information and discuss essential preparation for GCSEs to ensure that our students are as successful as they can be. Please enter the Academy by the Main Entrance and appointments will take place in the subject teachers' classrooms. A list of staff locations will be provided upon arrival and our student leaders will be on hand to assist anyone around the building if needed. We are also offering free Christmas themed food to all parents, carers and their families, including turkey and stuffing bagettes – as a small token of our gratitude for supporting the Academy on this vital occasion.

Additionally, all Year 11 students are in the process of applying for college courses or apprenticeships, and many of these institutions will be present on the evening to provide advice and help, including what grades your child will need to gain access to their course or scheme.

Your child has been given an appointment sticker they have put in their planner – please check that they are arranging appointments with their subject teachers, however, staff will make every effort to see you with or without an appointment.

Collaboration between home and school is crucial in Year 11.
If students, the Academy, and Parents/Carers work together for the next six months, then your child stands the best chance of being successful.

Yours faithfully,

Mr J Nassau
Assistant Headteacher
